

Estimated Cost to the College Resulting from the Patient Protection and Affordable Care Act

The college estimates that the costs to pay for the required taxes and fees resulting from the federal Health Care Reform Acts of 2010, Public Laws 111-148 and 111-152 will not have a material impact on the budget. At this time, we anticipate that no additional participants will be required to be covered under our employee health insurance plan.

The College will incur the following fees resulting from the Patient Protection and Affordable Care Act:

- \$2.00 per head per month for Patient Centered Outcomes Research Institute Fee
- \$5.25 per head per month for Research
