

Now Hiring Welders at PMG!

Are you looking for a position that will offer exceptional pay, flexibility, and the opportunity to work with some of the nation's most prominent manufacturing organizations? PMG is hiring!

PMG is a national manufacturing services company, with a reputation for integrity, reliability and rewarding opportunities. Our company partners with the nation's leading manufacturing companies and provides them with highly skilled technicians to resolve production gaps and backlogs. PMG is an EEO.

Our dedicated Technical Solutions Coordinators will provide you with personal, hands-on assistance in matching you with the right PMG project to fit your needs and skill set.

PMG projects may require travel to various parts of the country for extended periods of time. **We arrange and pay for you to travel to the project from your home base.** We also arrange and pay for lodging near the project's facility. We offer excellent pay generally ranging from \$18-24 per hour (depending on skills and experience) and guaranteed OT hours offering the potential for you to earn as much in 6 – 8 months as you would in a year elsewhere.

We have an on-going need for skilled welding technicians. **Contact us today to start your career with PMG!**
