Graduation Requirements

A. The College grants the degrees of Associate of Arts, Associate of Science, Associate of Applied Arts and Sciences, and Associate of General Studies, as well as certificates, to those students who have completed the following requirements for graduation:

1. Maintained a 2.0 GPA (or the equivalent in programs that are Pass/Fail);
2. Taken a minimum of 15 passing credits from the College at the 100 level or above;
3. Complete an application for graduation.
   a) Completed the prescribed coursework for the degree or certificate, including all applicable general education and competency requirements.

B. The President shall ensure procedures exist, with appropriate involvement of the faculty, that clearly articulate degree and certificate requirements. These requirements will be made publicly available.
