3030  **Employee Participation**

Employees are expected to participate in activities that improve the College, including by serving on College teams and by participating in College-wide efforts like fulfilling the strategic plan. Appointments to team assignments will be determined by the President. Employees are also encouraged to participate in College-sanctioned community outreach events and to participate constructively in the surrounding community, such as by serving on local boards.

History – Amended and Readopted: September 12, 2018
