August 12, 2019

For Immediate Release: Stiles Road between Johnson Road and Hansen Road
Amber Township, Mason County
Will be closed starting in the afternoon on Monday 8-12-2019
New water main to West Shore Community College

Stiles road between Johnson Road and Hansen will be closed to thru traffic for about 2 to 3 weeks. Contractor is installing new water main

A new 12" water main is being installed to West Shore Community College from US-10 to Sugar Grove Road this summer & fall. Hallack Contracting from Hart Michigan is the Contractor that is doing the work. The water main is being installed approximately 6' west of the existing roadway. For the safety of the motoring public and the workers the roadway will be closed to thru traffic. The detour route is Hansen, Dennis & Johnson for this phase of the work.

Residents that live on this section of Stiles Road and Emergency responders will have access to the closed section of Stiles Road. Please proceed with caution and expect delays.

Once the water main has been installed in this section of Stiles Road the detour will be changed so that the next section of Stiles Road will be closed to thru traffic.

Eric R. Nelson
