Financial Aid Disbursements

- The WSCC Financial Aid Office along with the WSCC Cashier works to process financial aid disbursement refunds as quickly as possible.
- Generally, refund checks are processed about 3-4 weeks after the semester starts.
- Please remember that we must verify your attendance before your financial aid will be released.
- You have the right to cancel your financial aid disbursements within 14 days of WSCC receiving financial aid funds on your behalf.

*Disbursement dates are subject to change and are the dates that WSCC receives the money from the financial aid programs. *Refund checks should be expected at least one to two weeks after the scheduled disbursement date each semester.*
