TIPS FOR SUCCESS
How to get the most out of an Academic Coach consultation
- Be prepared for your visit with assignment sheets and a started draft.
- Come in as soon as possible. You can meet multiple times on the same project.
- The coach may not be able to address every problem with an assignment. Prioritize what needs focus.
- Coming in for an academic session does not guarantee a “A” on the assignment.
- This is a collaborative process. Be prepared to be an active partner in the session(s).
