Program Contact: **Amanda Morgan, MA, RT(R)(MR)**, amorgan@mwtec.org

Licensing requirements vary by state/territory, completing this program may not automatically satisfy all requirements in every state/territory. However, this program is designed to meet the educational requirements necessary to sit for the **American Registry of Radiologic Technologists (ARRT) CT certification examination**, which is the primary pathway to state licensure. Students enrolled in West Shore Community College's programs who plan to pursue licensure or certification in another state, in addition to reviewing the information below, are advised to contact the appropriate licensing agency in that state/territory for information and guidance.
